

FACULTY VACANCY

Cell/Molecular Biologist - Assistant Professor

Brandon University is a leader in providing high quality education in arts, sciences, education, music, and health studies. Based in southwestern Manitoba, Brandon University also offers pre-professional and Masters programs, as well as innovative and award-winning outreach programs in a personalized learning environment.

The Faculty of Science at Brandon University invites applications for a five-year term position in the Department of Biology at the rank of Assistant Professor.

The Department of Biology is in a period of rejuvenation and growth. We have an active Departmental research culture and promote excellence in our teaching. We seek an outstanding individual who will help us support, build and maintain the momentum in our program. The successful applicant will have the opportunity to establish an extramurally funded research program, and supervise undergraduate and graduate students.

Qualifications: A doctorate in Biology or related discipline is preferred, with specialization in cell and molecular biology.

Responsibilities: The successful applicant will actively contribute to teaching cell and molecular biology at various levels of the undergraduate curriculum in the Biological and Biomedical Sciences streams. Courses may include: Introductory Biology, Animal Diversity, Molecular Cell Biology, Human Anatomy and Physiology, Immunology, Developmental Biology, Neurobiology, Genomics and Bioinformatics, and Applied Biomedical Science.

Application Deadline: February 28, 2018 or until the position is filled

Start Date: August 1, 2018

Rank and Salary: Commensurate with qualifications and experience

Applicants should send a cover letter (including clear indication of citizenship or Canadian immigration status), statement of teaching philosophy (2 pages maximum) and statement of research interests (2 pages maximum), curriculum vitae, transcripts (unofficial, or scanned copies of official transcripts are acceptable), teaching evaluations (if applicable) and the names and contact information of three referees. Candidates should send application by email attachment in a single PDF document of reasonable size to:

Dr. Bernadette Ardelli, Dean of Science, Brandon University, Brandon, MB, R7A 6A9 science@brandonu.ca

All applicants are invited to consult the Brandon University course calendar for more information. Further details about Brandon University and the Department of Biology can be found at <http://www.brandonu.ca/biology>

Brandon University is committed to equity, welcomes diversity, and hires on the basis of merit. All qualified individuals who may contribute to the diversification of the University, especially women, persons with disabilities, Indigenous persons, racialized persons, and persons of all sexual orientations and genders are encouraged to apply. Canadian citizens and permanent residents are given priority. Evidence of citizenship must be provided.

To ensure this employment opportunity is accessible to all interested individuals, please advise of any accessibility needs by contacting the Human Resources office at (204)727-9782 or hr@brandonu.ca. This posting is available in an alternate format.

PLEASE DO NOT REMOVE THIS NOTICE SO THAT OTHERS MAY ALSO BECOME AWARE OF THIS POSITION VACANCY. THANK YOU.
